SOLDIERS' BALANCES UNCLAIMED.

In pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the next of kin, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette" and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as next of kin should be addressed by letter to "The Under Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the dates and places of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed: but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a justice of the peace. The applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared. Dated this 26th day of June, 1868.

By Order of the said Principal Secretary,
EDWARD LUGARD.

NOTE.—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

War Office, July 28th, 1868.

THE QUEEN has been graciously pleased to signify her intention to confer the Decoration of "The Victoria Cross" on the under-mentioned Soldiers, whose claims to the same have been submitted for Her Majesty's approval, for their gallant conduct in Abyssinia, as recorded against their names, viz. :—

33rd Regiment.—No. 8691 Drummer MICHAEL MAGNER; No. 949 Private JAMES BERGIN.—Act of Bravery for which recommended.—For their conspicuous gallantry in the assault on Magdala on the 13th of April, 1868.

Lieutenant General Lord Napier reports that, whilst the head of the column of attack was checked by the obstacles at the gate, a small stream of officers and men of the 33rd Regiment and an officer of Engineers, breaking away from the main approach to Magdala, and climbing up a cliff, reached the defences and forced their way over the wall and through the strong and thorny fence, thus turning the defenders of the gateway. The first two men to enter, and the first in Magdala, were Drummer Magner and Private Bergin, of the 33rd Regiment.

Cl. 80.—Expenses of Conveying Deserters direct to their Regiments.

1. By the 34th clause of the Mutiny Act justices are empowered to order a person apprehended on suspicion of being a deserter to be conveyed in civil custody to the head quarters or depôt of the regiments or corps to which he belongs, if stationed within a convenient and easily accessible distance from the place of commitment.

2. The Secretary of State for War has been pleased to decide that in all such cases the expenses thus incurred by the civil power shall be at once repaid.

3. Commanding officers are therefore directed to order the Paymaster to pay these expenses to the constable who hands over the prisoner, upon the production of the justice's order for his committal to his regiment, and a detailed statement of the expenses, duly certified by the committing magistrate.

4. These documents, with the constable's receipt for the amount paid to him, will be a sufficient voucher for the charge when it appears in the accounts.

His duty will be to see that the work is properly performed and to keep an accurate account of the work done by each man, with a view to the apportionment of the amount earned among the working party.

9. Parties of 8 or 10 men will generally be found the most convenient numbers for the proper performance of the duty, and sufficient for a non-commissioned officer effectively to superintend.

Instructions for the Care and Preservation of Iron Ordnance, Shot and Shell, Carriages, Platforms, &c.

10. As a general rule all guns, &c., forming the armament of fortresses are to be cleaned and painted biennially, but should it be found on inspection that guns, &c., mounted on the seafaces of works, are in a bad state from exposure to the spray of the sea, or those in casemates from the damp and dripping, they are to be cleaned and painted every year, and oftener if considered necessary by the officer commanding the royal artillery; on this point, considered as a question of expense, a sound discretion is to be exercised.

11. Previous to the working parties commencing work, the guns are to be dismounted and placed on skidding, in such a position as will admit of their exteriors and interiors being thoroughly well cleaned.

12. In cases where, from the nature or position of the work, it may not be deemed advisable to dismount the guns, they are to be raised out of their trunnion holes to a sufficient height to admit of all parts of the gun being thoroughly scraped and cleaned.

13. Dismounting, placing on skidding, raising out of trunnion holes, and mounting guns in charge of the royal artillery, form portion of the common duties of artillery soldiers, for which working pay is not allowed, and should, when practicable, be performed independently of the working parties.

Iron Ordnance.

Scraping and Cleaning.

14. The gun is to be scraped on the exterior, the old swords and scrapers supplied for the purpose being previously sharpened, until the old paint and all rust which may appear beneath it are entirely removed; the sight notches and all marks are to be completely cleaned out and rendered distinct, and the gun is afterwards to be wiped over with a piece of old canvas or cloth.

15. The vents are to be cleaned with the vent scrapers.

16. The muzzle of the gun is to be raised to a convenient height for the men to work at, and the following tools used in succession:—

Brush, Turk's Head.—Used to brush out all grit and dust from the bore; it is also to be used frequently during the operation of scraping to remove the lacquer and rust scraped off by the scrapers.

Knives, Cleaning Ordnance. (Circular spring scraper.) According to the nature of the ordnance.—Used to scrape from the sides of the bore all old lacquer and rust. The semi-circular knives are to be carefully ground to a sharp and even edge, to correspond exactly with the curve of the bore, and then fixed to the plates of the spring which is attached to the stove. The instrument is to be inserted, and screwed out until the knives bear evenly and tightly against the sides of the bore; it is then to be worked up and down the whole length of the bore, being at the same time turned gradually round until the bore is perfectly clean and smooth. This operation requires the united strength of three or four men. The superintendent of the party is to see that the knives are re-sharpened as soon as they become blunt, and that they are kept screwed out tightly against the sides of the bore during the whole of the operation.

Scraper, Fore Right.—Used to clean the bottoms of the bores.

ARMY CIRCULARS—continued.

Scraper, Half Round.—Used for scraping any part left untouched by the knives.

Scraper, Balloon.—Used only with the chambered ordnance to clean the sides of the chamber which the knives will not touch.

Brush, Hard Round. According to the nature of the ordnance.—Used to brush the bore thoroughly out after it has been scraped.

Lamp or Mirror.—Used to examine the bore, and ascertain that it has been properly cleaned.

17. The bores of mortars are to be cleaned with the swords, and the fore right and half round scrapers, attached to staves of a convenient length for the men to work with.

18. As it is the duty of the royal artillery to keep in perfect order the bores of all rifled ordnance, working pay is not granted for this service.

Painting and Lacquering.

19. The exterior is to be painted with two coats of paint; the second coat is not to be applied until the first coat has thoroughly set, and as, in the process of mounting the gun the paint gets much rubbed, the second coat should be given after the gun has been mounted.

20. The bore is to be lacquered with one coat of lacquer applied with a brush (000) fixed in a spring socket at the end of a staff: No. 1 is used to lacquer the sides of the bore, and No. 2 the bottom. The lamp or mirror is again to be used to ascertain that the bore has been properly lacquered.

21. Iron vents only are lacquered; this is done by means of a spring wire and a piece of tow.

*Shot and Shell.**Scraping and Gauging*

22. Shot runs and trestles are to be supplied to all working parties employed in cleaning shot and shell. The shot or shell is to be placed on the run, and scraped with the swords until quite free from all paint and rust.

23. The plugs or corks of the shells are to be removed and the interiors examined; those of spherical shells are to be scraped with a copper scraper, and freed from rust; as the interiors of rifle shell are lacquered, they are not to be scraped, but simply inverted, to ensure their being free from water.

24. The collars should be examined, and, if necessary, removed and replaced by new ones.

25. The rivet holes should be examined, and, if necessary, cleaned out and re-waxed.

26. The threads of the screw plug are to be smeared with a solution of beeswax and grease, and the plug screwed home into the metal bouche.

27. Previous to painting, the shot and shell are to be gauged with both high and low gauges by the non-commissioned officer in charge of the party, who is to put aside all that do not gauge properly, and report the circumstance to his commanding officer.

Painting and Piling.

28. The shot or shell are to be painted on the runs with two coats of paint; the second coat is not to be given until the first coat has thoroughly set. Tarpaulins are to be supplied for placing the projectiles on after they have received the first coat.

29. The paint is to be applied over the whole of the exterior iron surface, including the portion inside the fuze-hole as far as the metal bouche, the metal plug being for the time removed. In the case of lead-coated projectiles the painting should extend at least half an inch over the lead at either end of the projectile.

30. The bases for all piles should be firm and level, and formed of stone, concrete or other hard material. Unserviceable shot or shell may be used for spherical iron projectiles. Shot and shell should never be piled on sand, mud or loose shingle, even when garlands are used. Spherical shell are to be piled with their fuze-holes downwards. Projectiles for rifled ordnance should be piled on their sides, especial care being taken not to injure the lead-coating or the studs.

*Carriages, Platforms, &c.**Examination and Repairs.*

31. Previous to being scraped and painted, all carriages, platforms, &c., are to be examined, and, if necessary, repaired by the garrison battery artificers at the station.

ARMY CIRCULARS—continued.

The artificers are to tighten up all bolts and nuts that may have become loose, refit the ironwork and close all joints; they are to fill in all large shakes and openings in the woodwork with thin slips of wood and stopping, leaving only the smaller cracks to be puttied up afterwards by the working parties; they are to clean off all projecting edges which may have been formed at the joints by the warping or uneven shrinkage of the wood; they are to take out the stool-bed bolts of the carriages, and the side-step bolts in the traversing platforms, also the axle-keys of the trucks, in order that the working parties may take off and clean them.

Scraping and Cleaning.

32. The implements to be used are old swords, triangular steel scrapers and scrapers made from old files. Scraping consists of going lightly over the surface with the scrapers, removing all blisters and loose paint, and forming a smooth service for the new coat of paint. Care should be taken not to break into the old coat where it is found to be sound and to adhere firmly to the wood, as it will only be necessary in exceptional cases to remove the whole of the old paint, and scrape down to the bare wood.

33. The trucks are to be taken off and cleaned, also the axle bolts; the pivots and racers are also to be cleaned.

Painting. (First Coat.)

34. The painting is to be performed by the garrison battery artificers, when they are available.

35. The first coat or priming is to be laid on lightly, and well worked into the grain of the wood, particularly in those places which may have been laid bare in the repairs, or by the scraping. All cracks or joints which are afterwards to be puttied up must be carefully painted over, and the paint forced down into the fissures, as, unless previously painted over, the putty will not adhere to the woodwork.

Stopping.

36. The stopping is to be commenced after the first coat of paint has become set; the putty is to be properly forced into the cracks, and any inequalities filled up with the putty-knives issued for that purpose, and not applied with the men's fingers.

Painting. (Second Coat.)

37. The second coat is to be given after the stopping has been completed. It should be applied lightly and carefully finished off.

CL. 82.—Wages of Hospital Servants on Board Ship.

1. All claims for wages of hospital servants employed on board vessels conveying troops to this country from abroad will, in future, be settled by the Principal Purveyor at the Royal Victoria Hospital, Netley. Such claims will accordingly be transmitted to the officer in question for adjustment.

2. The claim will be prepared on War Office Form 172, and the names, rank of each man and the nature and period of employment carefully entered, whether he belong to the permanent hospital staff or not.

3. The following information is necessary before any claim can be considered, and will therefore be sent in with it:—

a. A certificate from the medical officer in charge that the servants were actually and necessarily employed in attendance on sick soldiers, an additional certificate being added in the case of special orderlies (in conformity with the rule laid down in Art. 216 of the Purveyor's Regulations), when the orderlies exceed ten per cent. of the sick in hospital.

b. A certificate from the officer commanding, that the men did not receive free rations during the voyage.

c. A certificate from the medical officer, showing the average number of sick daily under treatment and in hospital during the voyage.

4. In the case of a voyage from this country the claim will, on the termination of the voyage, be submitted by the medical officer in charge for the approval of the principal medical officer at the foreign station.

5. The principal medical officer will, if he approve the claim, forward it to the general or other officer commanding to authorise the issue of the amount due.

ARMY CIRCULARS—continued.

6. The same information as would be required for the adjustment of claims at Netley (see paragraph 2 and 3 above), will be furnished with the claims at foreign stations.

7. Clause 74 Army Circulars, 1867, is hereby cancelled as far as it relates to acting hospital sergeants and acting or temporary orderlies.

Cl. 83.—Regimental Messes.

The attention of general and other officers commanding is called to the fact that the closing of a regimental mess for repairs or alterations entails a large expense upon the public for personal allowance to the officers deprived of the advantages of the mess.

In all cases in which repairs or alterations to mess premises are recommended, the general officer commanding will therefore take into consideration the collateral expenses of this nature as well as the actual cost of the alterations. He will also satisfy himself, before authorizing the closing of a mess, that no proper arrangements can be made for the use of a temporary mess room or mess kitchen.

Cl. 84.—H. M. Indian Troop Ships.

The expenses of the railway transit across the Isthmus of Suez of the wives and families of officers conveyed to or from India in H. M. Indian troop ships, are chargeable against the officers. Officers will pay all such expenses before landing in England or in India to the paymaster of the ship in which the voyage is completed. The charges for the messing of their families will be paid by the officers, for each separate half of the voyage, to the paymasters of the ships before landing in England, Egypt, or India, respectively.

Officers embarked on board Indian troop ships must be careful to comply with the instructions contained in Clause 24 Army Circulars, 1868, and see that their messing certificates are properly signed by the commander or paymaster of the ship before disembarkation.

Cl. 85.—Hire of Tugs.

Expenses for the hire of tugs, barges, or boats, employed in embarking or disembarking troops and their baggage, are chargeable against naval funds, and wherever practicable the service should be arranged and paid for by the admiralty agent. At stations where there is no admiralty agent, and it consequently becomes necessary for the military department to make arrangements for this service, the military accountant will effect the payment, and charge the expense in his account under the head "Admiralty Passages." The charges will be included in schedule No. 13, and will be supported by the agreements, and the bills and receipts of the persons who have performed the service.

It is however to be understood that this regulation refers only to the hire of tugs, barges and boats, and does not include any charges for work on shore, such as wages of labourers, hire of cranes, &c.

MEDICAL DEPARTMENT.**Cl. 86.—Certificates of Vaccination.**

It has been represented to the Secretary of State for War that the registration of vaccinated children of soldiers is imperfect, in consequence of regimental surgeons omitting to transmit certificates to the district registrars.

Medical officers of the army will therefore invariably furnish to the registrar of the district in which they may be serving a certificate of successful vaccination, as required by the Compulsory Vaccination Act, 26 and 27 Vict. cap. 52, sect. 8.

Cl. 87.—Precautions in cases of Infectious Disease at Foreign Stations.

After the occurrence of a case of yellow fever or other disease of an infectious character in any barrack abroad, the room or quarter in which the case occurred will be disinfected and lime-washed. The floors will be well scoured and the paint well washed with soap and warm water. Before the room or quarter is re-occupied, the windows will be left open for a fortnight, to secure thorough ventilation.

STORES.**Cl. 88.—Issues to Flying Columns in Ireland.**

Much public inconvenience has been caused in consequence of articles of barrack bedding, utensils and other stores, obtained for troops composing the flying columns.

ARMY CIRCULARS—continued.

employed in Ireland, not having been properly accounted for; the Secretary of State for War, with the concurrence of His Royal Highness the Field Marshal Commanding-in-Chief, has therefore decided as follows:—

1. Departmental officers issuing stores of the above description, under the orders of general officers commanding, to flying columns, will obtain receipts from the officers commanding such columns for the stores issued, and such stores may be struck off charge by the said departmental officers, their accounts being supported by the receipts referred to. The stores thenceforward will be considered as in the custody of the officers who have given the receipts, or of any officers by whom such officers are relieved, who will be held responsible for the security of such stores.

2. When the stores are no longer required, officers in whose custody they are must give them over to the nearest store accountant of the department to which such stores respectively appertain, obtaining receipts for the same. Upon the transmission of these receipts to the War Office, the said officers will be relieved from the responsibility which would devolve upon the officer receiving the stores.

3. When articles of the above description, or other necessities for the troops, are purchased for the use of flying columns, in cases of emergency, instead of being issued from store, such purchases, with a schedule of the stores, must be reported to the War Office by the purchasing officer, who will thereupon be held responsible for the safe custody of such stores until relieved by such receipts as above stated, except in the case of stores of a consumable nature, shown to have been actually and necessarily expended by the troops.

Cl. 89.—Standing Camps—Washing Tubs.

The tents of non-commissioned officers and men in standing camps will each be supplied with two tubs for washing, instead of one only, the proportion fixed by W. O. Circular 869.

Cl. 90.—Transfers and Stock-taking of Barrack Stores.

Immediately a transfer or stock-taking of barrack stores is completed, a list of stores found surplus or deficient will be made out, and will be delivered by the witnessing or inspecting officer to the officer responsible for the stores, with a request that he will furnish an explanation of the several items, and transmit it to the War Office as soon as practicable.

Cl. 91.—Cartridges for Guns in charge of the Royal Artillery.

Requisitions having occasionally been made upon the Military Store Department to supply filled cartridges for guns in charge of the Royal Artillery instead of empty cartridges and loose powder to fill them, the attention of the officers commanding Royal Artillery is called to General Order (Royal Artillery) No. 387, dated 5th March, 1859, and General Order No. 397, dated 26th May of the same year, and also to Article 517 of Royal Warrant of 3rd February, 1866, which require that Royal Artillerymen should, as part of their regimental duty, make up their own gun ammunition without receiving working pay.

This regulation will be strictly adhered to in future.

Cl. 92.—Returns of Boats.

Returns on the form printed in the Appendix (W. O. Form 1167), showing the number, nature and description of the boats in possession of the several departments of the army, will be forwarded in duplicate to the Quarter Master General in time to be transmitted to the War Office on or before the 31st October in each year.

(Signed) EDWARD LUGARD.

G.O. 71.—Instructors, Royal Military College.

Commanding officers will send to this department, *not later than the 31st July*, the applications of such officers as feel themselves qualified for the situation of instructor at the Royal Military College, Sandhurst, in military drawing and surveying.

1. The officer appointed will receive a salary of £350 per annum, inclusive of all pay, half pay and any military allowance whatever. £50 will be deducted when he is provided with quarters.

2. Applications for the above instructorship to be accompanied by specimens of drawing, and by a sketch of two square miles of any ground the candidate may select. In every case the candidate must certify that the drawing produced is his own unaided work.

G.O. 72.—Medals.

Commanding officers will furnish the Adjutant General, without delay, with a statement of the number of men who are now eligible for the good conduct medal, and the probable number who will become so during the year ending 31st March, 1870.

G.O. 73.—Volunteers to Departmental Corps.

His Royal Highness having observed that great laxity prevails on the part of commanding officers in the selection of volunteers for Departmental Corps, requests that the importance of having only efficient men in these services may be borne in mind, and desires that, in future, only the names of candidates be submitted whose *good conduct* and *steady* behaviour afford a promise that the responsible duties with which they must frequently be entrusted will be satisfactorily performed.

G.O. 74.—Ammunition.

It being important that the central-fire ball cartridges which are in possession of the men should at all times be preserved in as good order as possible, commanding officers are requested to give instructions for the service ammunition not to be removed from the tins, but for both to be taken out together from the pouches when blank cartridges are served out for field days, &c.

GEN. ORDERS—*continued.***G.O. 75.—Non-Commissioned Officers.**

Referring to paragraph 334 of the "Queen's Regulations and Orders for the Army," it is to be understood that when non-commissioned officers, who may find themselves unequal to perform the duties of their situation, apply to be allowed to resign their rank, such permission is only to be granted on the authority of general officers commanding districts or stations. A report of each case is then to be made to the Adjutant General, as laid down in paragraph 334.

G.O. 76.—Payments for Army Non-effective Services in Colonies.

It having been decided that all payments in the colonies in respect of army non-effective services shall be made, in future, by the local Military Accountant, it will be necessary for every officer, who is permitted to retire upon full or half pay, to notify, in his application to retire, his intended place of residence. Should he afterwards change his abode, his new address should be duly reported to the Secretary of State for War.

G.O. 77.—Books.

I. His Royal Highness the Field Marshal Commanding in Chief, having approved of a new form of ledger, directs that the same shall be adopted in every troop, battery and company throughout the army.

II. Officers commanding troops, batteries and companies are strictly to adhere to the instructions for their information and guidance contained in the annexed memorandum (Appendix), a copy of which is to be pasted in every ledger.

III. As the new ledger is of a portable size, and adapted for use on active service, the "day book" will no longer be required.

IV. Three sizes have been prepared to meet the requirements of the different arms of the service, and may be obtained upon requisition being made to the War Office, in the usual manner, at the following prices:—

Size No. 1.—W.O. Book 142A, containing 600 pages, at 3s. 2d. per copy.

Size No. 2.—W.O. Book 142B, containing 480 pages, at 2s. 9d. each.

Size No. 3.—W.O. Book 142C, containing 400 pages, at 2s. 6d. each.

Size No. 1 is more especially adapted to the Royal Artillery and Royal Engineers. Sizes Nos. 2 and 3 to troops and companies of varying strength.

V. Supplies of loose ledger sheets, W. O. Form 338, designed to meet the cases of transfer alluded to in paragraph 2 of the annexed memorandum (Appendix), may also be had, on requisition to the War Office, at the rate of 2½d. per octavo quire.

W. PAULET, *Adj. Gen.*

APPENDIX TO G.O. 77.**MEMORANDUM for the Information and Guidance of Officers Commanding Troops, Batteries and Companies.**

1. A separate leaf of the ledger is to be assigned to each man, whose name and regimental number are to be distinctly written on the top of each page; and no new account is to be opened on the leaf containing the accounts of any man who may have become non-effective.

2. Upon a soldier being transferred from one regiment or company to another, the leaf containing his accounts is not to be removed from the ledger, but a certified copy of the last account will be forwarded with him, prepared on a form of ledger sheet (W. O. Form 338), of which supplies may be obtained upon requisition to the War Office.

3. In order to show at once the expense of the soldier's living, the cost of the ration is to be included in the charge for "messing," the daily rate of which is to be specified.

4. The date of the issue of all articles of necessaries must be stated in the proper column.

5. Every man who can write, however badly, is to sign his name to his account in presence of the officer commanding the troop, battery or company, who will sign it at the same time, and whose signature is to be considered a voucher that he actually saw the man attach his signature to the account, after having had it read over and explained.

GEN. ORDERS—continued.

6. Men who cannot write their names are, in like manner, to make their marks in presence of the officer and of a third party (not the pay Serjeant), who is to sign as a witness.

7. The men's "pocket ledgers" and the "acquittance" roll are to be signed at the same time with the accounts in the ledger.

8. The following is a specimen of the manner in which the entries should be made in the ledger and the accounts verified :—

NATURAL BITTER WATER of FRIEDRICHSHALL

To be had in every Mineral Water Warehouse in Great Britain.

A wonderful vigorous slightly purgative remedy especially against diseases of the pituitary membranes, the stomach, the bowels, the urinary passages, and the lungs, diseases of the liver and other glands. It improves appetite, digestion and nutrition, dispels hypochondriac disposition, and gives love of life and energy.

The celebrated Professor Dr. I. von Liebig gives the following explanation about the benefit of its use:—"The chlorides of sodium and magnesium, and the cromide of magnesium, which the Bitter Water of Friedrichshall contains, place them among the most efficacious in Europe, and I regard the possession of this spring as a real treasure, whose great worth must be recognized by all who have experienced its salutary and beneficial effects."

The Manager of the Bitter Water Well at Friedrichshall, Germany.

DENT'S CHRONOMETERS, WATCHES AND CLOCKS

Have long held pre-eminent rank, as may be seen from the following Reports:—

SIR WILLIAM ARMSTRONG, Inventor of the Armstrong Gun,
 says:—

9, Hyde Park Street, W., 14 November, 1861.

"The Chronometer Watch you made for me in December, 1859, has never been affected by travelling or riding, its variation at the end of a year was only 45 seconds. It has proved in every respect a most satisfactory Watch.

"To M. F. DENT, 33, Cockspur Street.

"W. G. ARMSTRONG."

THE ASTRONOMER ROYAL, Greenwich Observatory, reporting in 1829 on the celebrated trial, when nearly 500 Chronometers were tested, says:—

"Your Chronometer, No. 114, is entitled to the First Premium. Actual variation in the year 0.54 hundredths of a second. This is superior to any other yet tried.

"MR. DENT.

"J. POND, Astronomer Royal."

THE RUSSIAN IMPERIAL ASTRONOMER, M. STRUVE, of St. Petersburg, reporting upon 81 Chronometers tested by the Russian Chronometrical Expedition, says:—

"The Dent Chronometers have held first rank in a brilliant manner. They contributed, beyond dispute, the most effectually to the exactitude of the result.

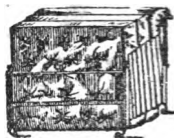

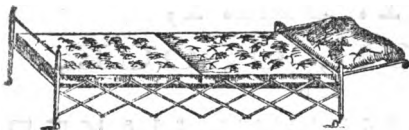

"M. STRUVE."

By Command of the Emperor the Russian Gold Medal of the highest order of merit was presented to Mr. DENT.

SOLDIERS' BALANCES UNCLAIMED.

In pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the next of kin, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette" and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as next of kin should be addressed by letter to "The Under Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the dates and places of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed: but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a justice of the peace. The applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared. Dated this 18th day of August, 1868.

By Order of the said Principal Secretary,

EDWARD LUGARD.

NOTE.—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Cl. 93.—Royal Warrant Establishing a Special Commissariat Service for the West Coast of Africa.

(Issued as a special Army Circular on 14th August, 1868.)

VICTORIA R.

Whereas we deem it expedient, with a view to the more effectual supply of our Forces serving on the West Coast of Africa, that a separate Commissariat Establishment be formed for service in that region,

Our will and pleasure is, that a special African Commissariat Service be formed under, and governed by, the provisions of this our Royal Warrant, which shall be the sole and standing authority on the matters herein treated of.

1. The aforesaid Commissariat Department shall in the first instance be formed of volunteers from our Commissariat Department, supplemented, if necessary, from other supply departments, by military officers and by duly qualified civilians; and shall be composed of commissaries, deputy commissaries and assistant commissaries, ranking respectively as Major, Captain and Lieutenant.

2. Candidates from our Commissariat or other of our departments shall be permanently transferred to the African establishment, and shall have no claim to revert to the general list.

3. All candidates, unless they already hold commissions or permanent appointments under government, or have passed an examination before the Civil Service Commissioners, shall be subjected to such educational test as shall be determined by our Secretary of State for War.

4. All candidates shall undergo a medical examination before being confirmed in their appointments.

5. No civilian candidate over 30 years of age shall be eligible for appointment in the department. Departmental or military officers volunteering shall, however, be admitted up to 35 years of age, and their past departmental or regimental services will be allowed to count as ordinary service towards retirement.

6. The pay of officers of the African Commissariat shall be as follows:—

Departmental Rank.	Pay.	Charge Pay.
	s. d.	s. d.
Commissary	22 6	5 0
After 5 years' service as such...	25 0	
Deputy	15 0	2 6
After 5 years' service as such...	17 6	
Assistant Commissary	11 6	2 6

The above rates of pay shall be inclusive of all allowances, with the exception of

ARMY CIRCULARS—continued.

forage, in lieu of which an allowance not exceeding 3s. 6d. per diem may be granted, when in the opinion of the officer commanding the officer's duties absolutely require that he should be mounted.

7. Charge pay shall only be drawn by an officer when in charge of a treasury chest or required to render direct treasury accounts.

8. Officers of the African Commissariat, when required to perform the duties of another department under the War Office, shall have no claim to additional remuneration.

9. Military officers holding acting appointments in the African Commissariat shall receive, in addition to their regimental pay and allowances, if acting as full commissaries, 7s. 6d., and if as deputy or assistant commissaries, 5s. a day, and if necessary the authorized forage allowance.

10. If an officer of the African Commissariat be in occupation of public quarters, a deduction shall be made from his pay at the following rates:—

				Lodging.	
				£	s.
Commissaries	27	6 per annum
Deputy Commissaries	20	16 "
Assistant	"	15	12 "

11. The tour of service on the coast shall be for a continuous period of 18 months, after which the officer shall be allowed 6 months' leave of absence on full pay, with a free passage to and from England; the time while embarked on board ship, homeward or outward, shall count as leave.

12. The 18 months' coast service and 6 months' leave shall be allowed to reckon as 3 years' service towards retirement, but broken periods of service on the coast, or leave granted exceptionally under medical certificate, shall count as ordinary service only.

13. Officers who according to this computation shall have completed 21 years' service (or 7 tours equal to 10½ years' actual service on the coast), shall be allowed to retire upon half pay, and on completion of 30 years' service (or 10 tours equal to 15 years' actual service on the coast), upon retired pay, but no officer will be entitled to retired pay under these conditions until he shall have completed at least 5 years' service in the new establishment.

14. An officer who, on account of his health, shall be unable to resume his tour of duty on the coast after expiration of his six months' leave, shall be placed upon temporary half pay if entitled thereto, under the foregoing regulations. If not so entitled he may be retained on the establishment without pay for an additional period of six months, and if then still unable to proceed on duty it shall be in the power of our Secretary of State for War to dispense with his further services, granting him such reduced rate of retired pay, or a gratuity of such amount as his previous services may justify.

15. The rates of half pay and retired pay granted to officers of the department under conditions of Article 13 shall be as follows:—

				Half Pay.		Retired Pay.	
				s.	d.	s.	d.
Commissary	12	6	16	8
Deputy Commissary	8	9	11	8
Assistant Commissary	5	9	7	8

Given at our Court at Osborne, this 4th day of August, 1868, in the 32nd year of our reign,

By Her Majesty's Command,
J. S. PAKINGTON.

Secretary of State's Instructions.

In promulgating the foregoing Royal Warrant for the formation of the African Commissariat Department, the Secretary of State desires that it may be notified as follows:—

1. Candidates are required to forward applications to the Secretary of State, setting forth their desire to be transferred to the African Commissariat Establishment, under the conditions promulgated in her Majesty's Warrant.

ARMY CIRCULARS—continued.

2. In the case of commissariat or other departmental officers these applications will be forwarded through the local head of the department, and will require his recommendation.

3. The applications of civilians must be accompanied by satisfactory references as to character, and by any testimonials possessed by the candidate, also by a statement of his age and occupation, and whether he has already passed an examination before the Civil Service Commissioners.

4. The establishment of the department will consist, for the present, of 2 commissaries, 3 deputy commissaries and 4 assistant commissaries.

Cl. 94—Forage.

1. The certificate prescribed by paragraph 12 of Clause 52, Army Circulars, 1867, will not in future be required to support charges for billet money for horses in the accounts of regimental paymasters.

2. Forage rations will, from 1st October next, be omitted from the return on W. O. Form 789, and be accounted for both as regards the horses of officers and men on the amended W. O. Form 1578 (*see Appendix*), to be furnished as hitherto with W. O. Form 789 to the district commissariat officer.

3. Attention is also drawn to Clause 8, Army Circulars, 1868.

Cl. 95.—Gymnastic Instruction.

(Issued as a special Army Circular on 14th August, 1868.)

1. The establishment for the instruction of the Army in gymnastics will consist of—
The School of Gymnastic Instruction.
The Regimental Instructors.

School of Gymnastic Instruction.

2. The establishment of the school of gymnastic instruction will be—
Director of Gymnastics.
Assistant Director.
Superintendents of Gymnastics.
Chief Instructors.
1st Class Instructors.
2nd Class Instructors.
Staff Clerk.

3. The director of gymnastics will be an Assistant Quartermaster General on the Staff of the Army, with the pay and allowances of that appointment, and will be intrusted with the duty of superintending the school of gymnastics and the working of the system generally.

4. The assistant director of gymnastics will be a Deputy Assistant Quartermaster General on the Staff of the Army, with the pay and allowances of that appointment, to assist the director.

5. The superintendents of gymnastics will be selected from among regimental officers, and will not be supernumerary to their corps; they will retain their appointments for a period of two years, with a daily rate of pay of 4s. in addition to their regimental pay and allowances.

6. An officer will not be eligible for the appointment who has not gone through a full course of instruction, and received a certificate of his qualification from the director of gymnastics.

7. The superintendents will be placed by the Commander in Chief at such stations as may be approved of by the Secretary of State for War, their duties being to conduct the course of instruction therein under the orders of the director.

8. Chief, 1st class and 2nd class instructors will be selected on the recommendation of the director of gymnastics from the non-commissioned officers and rank and file of the Army, and will be supernumerary to the strength of their corps. Instructors who, in the opinion of the director, are inefficient, will be removed from their appointments and revert to their former rank in their corps; but they will not be liable to be removed except for misconduct or inefficiency.

9. The chief and 1st class instructors will be entitled to clothing as 1st class staff serjeants, the 2nd class instructors as 2nd class staff serjeants.

ARMY CIRCULARS—continued.

10. All Serjeant instructors will be permitted to wear badges of cross swords above the chevrons. All instructors will be entitled to two suits of gymnastic clothing per annum.

11. A non-commissioned officer or private will not be eligible for the appointment of instructor who has not gone through a full course of instruction and received a certificate from the director of gymnastics, and an instructor will not be promoted from an inferior to a superior class until he shall have gone through a further course of instruction, or passed the necessary examination, and obtained a further certificate of qualification.

12. Chief instructors will be 1st class staff serjeants selected from among the gymnastic instructors. They will receive a daily rate of extra-duty pay of 2s. in addition to their regimental pay as serjeants. They will be employed at such stations as may be ordered by the director, with the approval of the Secretary of State for War, and with the concurrence of his Royal Highness the Field Marshal Commanding in Chief.

13. 1st class instructors will be 1st class staff serjeants. They will receive a daily rate of extra-duty pay of 1s. 6d. in addition to their regimental pay as Serjeants, and allowances as 1st class staff serjeants. They will be employed as instructors in the school of gymnastics, and as senior instructors in other gymnasia.

14. 2nd class instructors will be 2nd class staff serjeants, and receive a daily rate of extra-duty pay of 1s. a day in addition to their regimental pay as serjeants, and allowances as 2nd class staff serjeants. They will be employed as instructors at the school of gymnastics, and as senior instructors in other gymnasia.

Regimental Instructors.

15. The regimental branch of the gymnastic establishment will consist of—
Regimental Instructors.
Assistant Instructors.
Temporary Assistant Instructors.

16. There will be one regimental instructor in each regiment of Cavalry and Infantry. They will be serjeants, and will receive a daily rate of working pay of 1s. in addition to their regimental pay and allowances whenever employed in carrying out the system of gymnastic instruction with the sanction of the director of gymnastics. Special application must be made by the director of gymnastics to the Commander in Chief, with a view to obtaining the sanction of the Secretary of State for War previous to the appointment of any instructor for the Royal Artillery and Royal Engineers.

17. Assistant instructors may be employed as regimental instructors on the application of the director of gymnastics to the Commander in Chief, subject to the approval of the Secretary of State for War. They will be Corporals, and will receive a daily rate of working pay of 1s. per diem in addition to their regimental pay and allowances whenever employed.

18. Temporary assistant instructors may be employed in the several gymnasia in such numbers as may be required for the duties. They will be allowed no additional pay except in the temporary absence of one of the paid instructors, in which case the temporary assistant will receive the pay of the instructor whose duty he is performing.

19. Whenever a regiment is serving at a station where there is a regular gymnasium, and has not a trained regimental serjeant instructor, an instructor may be temporarily employed from another regiment, and receive the extra pay as regimental instructor, and if he be necessarily withdrawn from his duties in the regiment to which he belongs, the difference between the pay of his rank and that of the rank of the man temporarily taking up his duties will be allowed.

20. Gymnastic clothing for the use of assistant and temporary assistant instructors will be supplied to each gymnasium in the proportion of two suits for each regiment or battalion using the gymnasium, and will be replaced as required on the application of the director of gymnastics.

Stores.

21. Gymnastic stores will be supplied to each gymnasium, and will be annually renewed, if required, in the proportion detailed in the Appendix.

22. Requisitions for such proportion of the annual supply as may be required to replace unserviceable articles will be sent to and complied with by the barrackmaster of the station at which the gymnasium is. (All requisitions for extra stores will be

ARMY CIRCULARS—continued.

approved by the director of gymnastics and transmitted by him through the Quarter Master General for the approval of the Secretary of State for War.

23. The expense of repairing foils, trifling repairs to gloves, the supply of chalk, resin, sand, sandpaper and such other matters, will be defrayed by a maximum allowance of £2 a year to each gymnasium or cavalry regiment in which fencing is taught. Barrackmasters or other local accountants will pay this allowance to the superintendents or instructors in charge of gymnasia by quarterly instalments on the first day of each quarter, and charge the same in their accounts to Vote 4. Paymasters will similarly pay the amount to Fencing Instructors of Cavalry Regiments.

24. Whenever a superintendent or instructor shall be appointed to take charge of a gymnasium the same will be notified to the barrackmaster at the station where the gymnasium is, in order that he may regularly hand over the gymnasium and fixtures and stores therein to such superintendent or instructor, who will sign an inventory in duplicate of such fixtures and stores and be thenceforth responsible for them.

25. Whenever a transfer of the charge of a gymnasium shall take place from one superintendent or instructor to another, the same will be duly notified to the barrackmaster as above, in order that he may witness the transfer from the outgoing to the incoming officer, and that the former may be charged for any loss or damage that may have occurred since the last inspection.

26. The incoming officer will sign an inventory and be thenceforth responsible as laid down in the last paragraph.

27. Barrackmasters will inspect gymnasia under their charge once during each quarter, and will assess any damage or loss that may have occurred to the buildings or fixtures, or stores therein, in the same manner and subject to the same regulations as govern their inspections and assessments of other buildings and stores used by troops; and will claim the amount due from the superintendents or instructors in charge, by whom the same will at once be paid; and the damage or loss will at once be made good by barrack masters. But these inspections and assessments will not relieve superintendents or instructors from their responsibility for the buildings, and fixtures and stores therein; or from making good any damage or loss that may exist on their giving up charge.

28. Superintendents and instructors will therefore carefully inspect the buildings, fixtures and stores under their charge at short intervals, in order that they may be enabled, through the officer commanding at the station, to enforce payment for any loss or damage from the persons by whom it is caused.

29. Commanding officers on being applied to by superintendents or instructors for payment for any loss or damage caused by the troops under their command, will immediately take the necessary steps to have the amount due paid to the proper superintendent or instructor, and to recover the same from the officer, non-commissioned officer or soldier by whom the damage or loss has been caused.

30. All changes among the superintendents and instructors will be reported by the director of gymnastics to the Secretary of State for War through the Adjutant General, and at the close of every year the director of gymnastics will send in a general report of the progress made in gymnastic instruction to His Royal Highness the Field Marshal Commanding in Chief for transmission to the Secretary of State for War.

31. The regulations for instructions in gymnastics are contained in the Queen's Regulations, paragraphs 1358 to 1382.

Cl. 96.—Travelling.—Military Foremen of Works.

1. Military foremen of works when travelling will be allowed the actual cost of their transit by the ordinary or cheapest public conveyance (provided the distance out be five miles, or transit expense unavoidable, if less than five miles); the charges for proceeding by railway or steamboat in no case to exceed those of the second-class carriage or cabin fares.

2. They will also be granted personal allowance at the following rate for each night (not exceeding seven consecutive nights), during which they may be necessarily detained away from their station:—

1st class foremen of works	5s.
2nd and 3rd class foremen of works	4s.

ARMY CIRCULARS—continued.

3. When absent from their station the whole or greater part of a day, a sum not exceeding one-fourth of the nightly rate of personal allowance may, at the discretion of the Commanding Royal Engineer, be allowed for refreshments.

4. Military foremen of works, if married and travelling on change of station, will be allowed travelling expenses for their families on the same conditions as married non-commissioned officers.

Cl. 97.—Allowances.—Probationary Military Foremen of Works.

Non-commissioned officers of Royal Engineers, while on probation as military foremen of works, are only entitled to regimental rates of allowances (lodging, fuel and light).

Cl. 98.—Remittances.

Cases having occurred in which staff and departmental officers serving abroad have remitted large sums through the Military Accounts for payment in England, the Secretary of State desires that it may be distinctly understood that the intention and scope of War Office Circular No. 481 (28th September, 1859), was to extend to such officers the privilege previously granted to officers serving in India only, viz., "to remit a limited portion of their pay for the benefit of their parents, wives, children, brothers or sisters," and that the remittance of an officer's private funds through the public accounts cannot be permitted for any other purpose, nor to any amount beyond that of his monthly pay. In future no remittances in excess of such amounts will be issued by the War Office.

Cl. 99.—Instructions to Accountants.

The attention of accountants is directed to Clause 11 of War Office Circular 395 (28th February, 1859), which states that all transactions, whether of receipt or expenditure, belong to the account of the period during which they are actually paid. No deviation from this rule can be permitted.

STORES.**Cl. 100.—Tents for Exercise in Pitching and Striking.**

One half-worn bell tent will be supplied to any regiment requiring the same for the purpose of exercising recruits and young soldiers in pitching and striking tents. The issue will be made on "local charge" under the regulations laid down in W. O. Circular 868.

Cl. 101.—Losses.

It is notified for the information and guidance of departmental officers, that the authority of the Secretary of State for War will in future be required before any losses of public stores, from waste or other causes, are passed as a public charge in the store accounts rendered to the War Office.

STORE DEPARTMENT VESSELS.**Cl. 102.**

The Secretary of State has approved of the following regulations for the guidance of persons employed on board the Store Department receiving vessel for gunpowder and ammunition, and in the laboratory craft used for conveyance of the same to and from the receiving vessel, &c.

1. All persons employed in the receiving vessel, barges, boats, and magazines will change their outer clothes, viz., coat, waistcoat, trousers, cap, and shoes, and will wear the suits specially provided for them.

2. The change of clothes will be effected in a shifting house, where the ordinary clothing will be deposited.

3. Smoking is strictly prohibited, and any man found with a lucifer match in his possession will be immediately dismissed.

4. No fire will on any account be allowed either in the receiving vessel, barges, or boats.

5. The receiving vessel, barges and boats will be kept scrupulously clean, and free from loose gunpowder.

ARMY CIRCULARS—continued.

6. In shipping or unshipping ammunition or gunpowder, tanned hides or wadmitilts will be laid over that portion of the vessel over which the cases or barrels pass.

7. A red flag will be kept flying when there is any gunpowder or ammunition on board the receiving vessel.

8. The gunpowder will be received daily from the receiving vessel at the lower causeway, and transported in railway trucks to the Royal Laboratory; the made up ammunition will be transported in railway trucks from the East Laboratory to No. 1 Magazine, each truck being laden by the Laboratory and handed over to the Military Store Department for removal.

9. Gunpowder or ammunition required to be sent from the Arsenal by land carriage will be brought from No. 1 Magazine in trucks to within the walls of the Arsenal, or if required and prepared suddenly by the Royal Laboratory, will be handed over by that Department to the Military Store Department on the bank of the canal.

10. The suits of clothing provided for and required to be worn by the persons employed in the receiving vessel and laboratory barges are as follows:—

In Summer:—Cap. Lasting jacket. Cloth trowsers. Woollen shirts.* Shoes, magazine.

In Winter:—Cap. Lasting jacket. Cloth trowsers. Woollen shirts.* Woollen drawers.* Great coat. Shoes, magazine.

EQUIPMENT REGULATIONS.**Cl. 103.**

1. The Secretary of State for War has directed the compilation of regulations fixing the Proportion of Equipment for the various branches of the service.

2. The first portion of Section 1 of Part 1 of these Regulations, detailing the proportions of ammunition and stores for garrison service, is issued with the present Army Circular to those officers whom it concerns. These proportions will govern all future requisitions for garrison artillery service.

MANURE FOR SOLDIERS' GARDENS.**Cl. 104.**

In order that soldiers to whom gardens have been allotted under W. O. Circular 904 may obtain manure for their gardens upon reasonable terms, the Secretary of State has provided in the terms of contracts with contractors for the removal of manure from stables occupied by officers' or troop horses, that the troops may purchase at the contract rate such quantities of manure as they may require for the purpose specified.

G.O. 78.—Promotions.

Her Majesty has been graciously pleased to command, that Colonel *Sir* Charles W. D. Staveley, *K.C.B.*, be promoted to the rank of Major General in the Army, in recognition of his valuable services as second in command of the Abyssinian Expeditionary Force.
Dated 25th September, 1867.

Also, that the under-mentioned medical officers be promoted to the ranks specified, in consideration of their valuable services with the force in question, viz. :—

Staff Surgeon Major Thomas Guy, *M.D.*, to be Deputy Inspector General of Hospitals.
Surgeon Charles Dodgson Madden, 4th Foot, Surgeon Neil Henry Stuart, 3rd Dragoon Guards, and Surgeon James Sinclair, 33rd Foot, to be Surgeon Majors.
Dated 15th August, 1868.

G.O. 79.—Officers' Dress.

The Queen having been pleased to approve of certain changes in the full-dress of officers of Infantry of the Line, patterns have been duly sealed and deposited at the Horse Guards for general information and guidance.

The alterations are as follows :—

Tunic.—Skirt, behind plain, like the Royal Artillery.

Collar, $1\frac{1}{2}$ to $1\frac{3}{4}$ inch high ; field officers to have a tracing-braid in eyes, instead of bottom row of $\frac{1}{2}$ inch lace (Appendix).

Double square gold cord on shoulders.

Cuffs, pointed with $\frac{1}{2}$ inch lace and tracing-braid for different ranks, as per drawing (Appendix).

Dress Sash.— $2\frac{1}{2}$ inches wide ; three stripes of $\frac{1}{2}$ inch gold, and two between of $\frac{1}{2}$ inch crimson silk : gold and crimson flat tassels.

Dress Trousers.—To have a stripe of gold and crimson lace down each outward seam, $1\frac{1}{2}$ inch wide—crimson in centre $\frac{1}{2}$ inch wide.

Dress Sword Belt.—Gold, with crimson stripe in centre, of the same lace as on trousers, with carriages of similar lace $\frac{1}{4}$ inch wide.

GEN. ORDERS—continued.

The dress sash, trowsers and sword belt are only to be worn at levées, balls, &c., and their provision is optional with officers; they can be obtained from respectable West-end tradesmen at the following prices:—

	£	s.	d.
Dress gold and crimson sash	4	10	0
Dress gold and crimson sword belt	2	10	0
Gold and crimson stripes for trowsers	1	10	0

The present tunic can readily be altered to the new pattern at a trifling expense, and the new tunic costs somewhat less than that now in use; officers will however be permitted to wear out their tunics without alteration should they prefer to do so.

G.O. 80.—Royal Military College.

(Specially issued on 18th August, 1868.)

The appointment of an Instructor in Military History at the Royal Military College, Sandhurst, being vacant, commanding officers are desired to send to this department, *not later than the 31st instant*, the applications of such officers as feel themselves qualified for the situation.

The officer appointed will receive a salary of £400 per annum inclusive of all pay, half-pay, and any military allowance whatever. £50 will be deducted when he is provided with quarters.

Each application should be accompanied by a statement of the course of the candidate's reading in military history.

In forwarding an application, the commanding officer should state his opinion of the character of the candidate, both personally and as an officer.

The appointment will be probationary for the first year.

The successful candidate will be expected to join the college on the 25th *proximo*.

G.O. 81.—Hospital Establishments.

The three hospital orderlies, per infantry regiment, authorized by G.O. No. 59, are to be armed with drummers' swords, and on their receipt, officers commanding will return to the nearest store station the rifles belonging to these men. Suitable frogs for the waist-belts in their possession will also be supplied, and their other articles of accoutrements are to remain with the corps to meet any casualties that may arise.

G.O. 82.—Ammunition.

I. Referring to G.O. 61, of 1867, and Clause 71, Army Circulars, 1867, officers commanding are requested to return any central fire cartridges which miss fire, cut or fall from any cause, into the *nearest military store*, "in transit" for the Royal Laboratory, and not direct to Woolwich.

II. The cartridges are to be accompanied by the full description as required by G.O. above referred to.

By command. W. PAULET, *Adj. Gen.*

Memorandum.

An additional copy of this, and every future month's General Orders, is to be sent to each regiment and dépôt battalion, to enable the commanding officer to supply a copy to any one of the regimental staff whose duties may be referred to therein.

General officers will be pleased to be guided by this rule in distributing General Orders to the troops under their command.

It improves appetite, digestion and nutrition, dispels hypochondriac disposition, and gives love of life and energy.

The celebrated Professor Dr. I. von Liebig gives the following explanation about the benefit of its use:—"The chlorides of sodium and magnesium, and the cromide of magnesium, which the Bitter Water of Friedrichshall contains, place them among the most efficacious in Europe, and I regard the possession of this spring as a real treasure, whose great worth must be recognized by all who have experienced its salutary and beneficial effects."
